

**CLASS CHANGES:** As indicated in the flyer sent to everyone in June, there will be no time to have face-to-face class changes this August. Due to budget cuts, our counselors have three fewer work days. While we requested that you submit requests prior to July, you may access the class change forms from this website and submit them via email to your counselor or bring them in to the main office. As the counselors have time between registering new students, they will make every attempt to meet your class change requests. You need to know that many classes are full and there are limited opportunities for moving classes. Obviously if it impacts a senior's graduation status, we will do the best we can to meet your needs.

**NO CLASS CHANGES WILL BE MADE AFTER SCHOOL BEGINS WITHOUT A STUDENT/PARENT/PRINCIPAL IN-PERSON CONFERENCE. THE FIRST DAY OF SCHOOL IS AS IMPORTANT AS ANY OTHER DAY OF THE SEMESTER AND STUDENTS NEED TO BE IN EVERY CLASS THAT FIRST DAY.**
