C - Be Committed to Excellence

An Orem High Tiger achieves excellence through striving to be the best in academics, activities, athletics, serving their communities and through the arts. The purpose of our school is to help each student know how amazing they are and what they can become. We encourage you to participate in as many of these areas as possible even if you're just a fan. By doing this, you will see how you can strengthen our school.

L - Look the Part

Be a true tiger by looking like one first. We should present a drug and alcohol free lifestyle when it comes to fashion. Be modest in your appearance by wearing sleeves, shirts that cover your bellies, and necklines that cover enough of your body. Guys, pull your pants up. Seeing your underwear hanging out is not attractive. Our dress and appearance reflects our school's personality. Set the standard for everyone around you by dressing appropriately.

A - Have a Good Attitude

As a Tiger, we should obey the rules and abide by the guidelines. We need to respect each other and all the adults at OHS. Every personality adds to the greatness of our school and we need to appreciate each one. Take pride in our school and the environment we learn in by picking up the messes we make. We're not in kindergarten anymore, we should be able to pick up our own trash.

S - We are Scholars

As Tigers, we seek good grades and strive for excellence. We attend class regularly and get to them on time. We try our best to maintain an attitude of academic integrity. We know that if we try our hardest, that's enough.

S - We Need School Spirit

The true Tigers of the past had plenty of school spirit to go around. We need to carry on that tradition by supporting our classmates. We support our sports teams by positively cheering louder than our rivals and motivating our athletes. Cheer appropriately and show that we're the best. We have good sportsmanship and a great reputation. Let's all show our school spirit more than ever this year and prove to everyone how great we really are.
