

Orem High School Community Council

The mission of the Orem High School Community Council is to promote excellence in all aspects of the Orem High School experience

- by identifying critical academic needs and providing guidance and funding to meet those needs,
- by supporting faculty and staff as they foster excellence in their students as well as in their own work,
- by informing parents of and involving them in the positive aspects of Orem High School, and
- and by providing a forum for discussion of problems and challenges faced by members of the Orem High School Community.

As a council, we are interested in hearing your concerns. Please contact a member of the council, if you have concerns or questions
